

Streaming the HEPEX workshop via Acano - Instructions

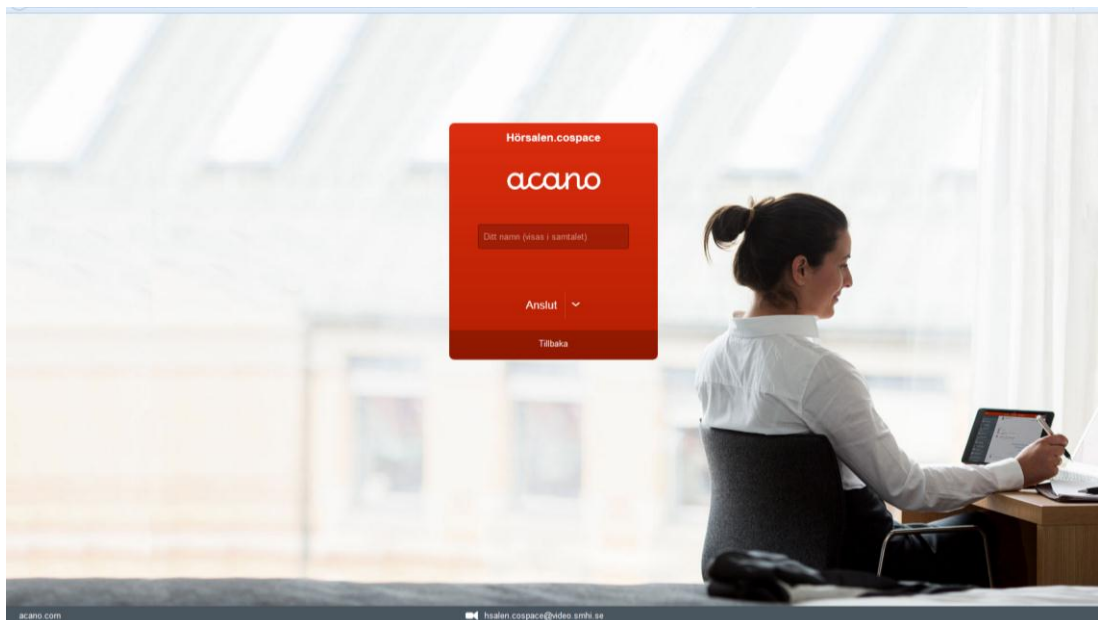

Participants can live stream the HEPEX workshop following these 3 steps.

It is important to note that Acano is stable using the Google Chrome explorer. If needed, you can download it from <http://www.google.com/chrome/>.

1. Click on the link below:

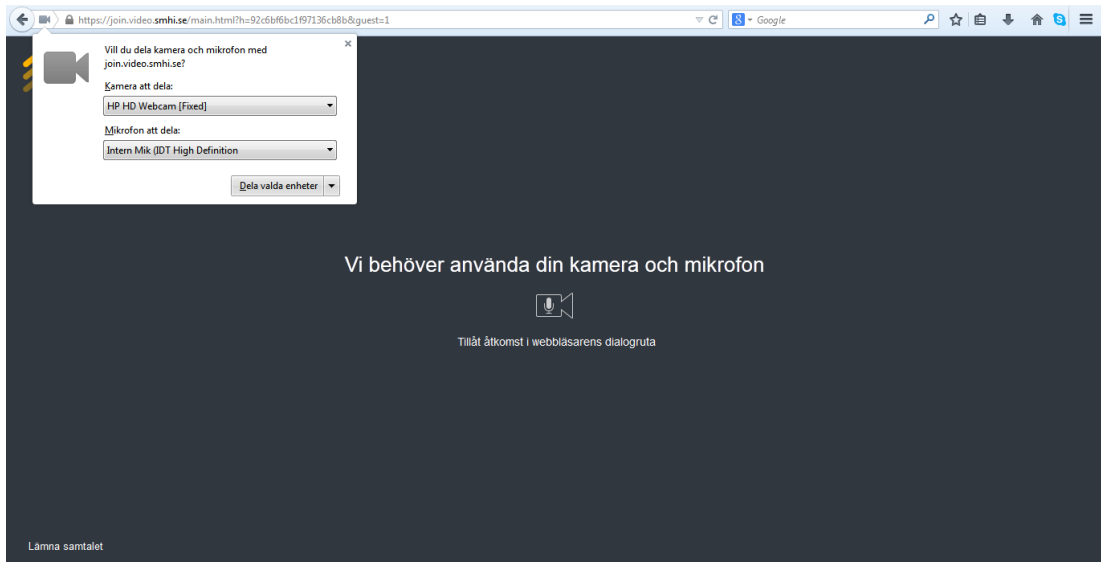

<https://join.video.smhi.se/invited.sf?secret=NbMARAg4SKJwQd8SkkJVnQ&id=813581327>

The following window will appear:

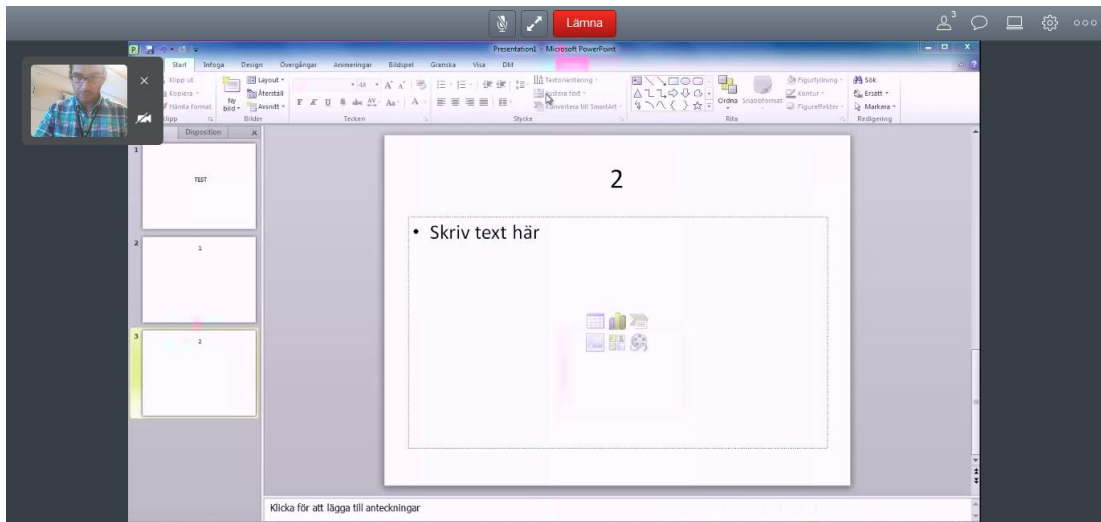

2. Enter your name in “Ditt namn (visas i samtalet)” and click “Anslut”.

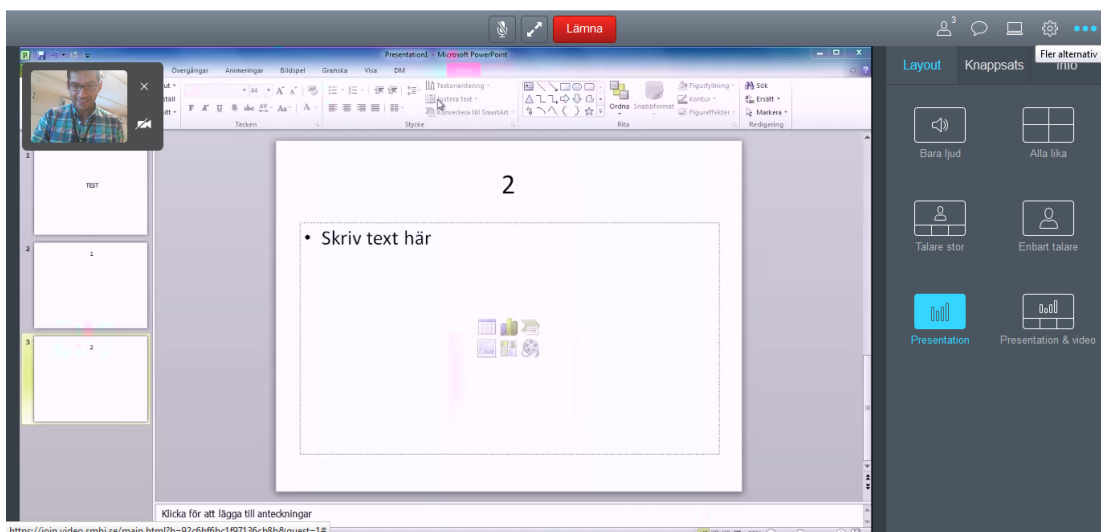

Then the following window will appear:

3. Set your camera and microphone and click “Dela valda enheter”
You will then be able to live stream the presentations, i.e. see below

In case you do not want to see the camera from the auditorium, click on the 3 bullets (top-right) and select “Presentation” (see below).
